a. The same number of fighters was observed [REDACTED]  
at the WIENER NEUSTADT airfield on 13 May 1949. [REDACTED]  
have not yet confirmed these figures. It is assumed from this  
report that at least two, possibly three, fighter regiments  
are stationed at the field. The description does not apply to  
any known fighter type. P-39s or P-63s have previously been  
observed in WIENER NEUSTADT.
